Internet Sales Policy Statement

Due to the sophisticated nature of Yamaha Audio and Video Products, the solicitation of business for YAMAHA products using YAMAHA's registered or common law trademarks, logos or trade name, on commercial computer on-line services, the internet (including the World Wide Web) and all other present and future forms of computer-based communications and media is specifically prohibited. YAMAHA reserves the absolute right, in its sole discretion, to refuse to do business with any dealer or account that violates this Internet Sales Policy.

Transshipping Restrictions

Account shall not sell or offer the Products for sale at any outlets other than those which Yamaha has authorized in advance, in writing per the Distributor Account Approval Form. Yamaha may elect to authorize or refrain from authorizing any outlet, may withdraw the authorization of any account, or may authorize an account for some, but not all of the Product Lines, at its sole discretion. Account's Product Lines for which each is authorized are listed below and is an integral part of the Distributor Account Approval Form
